

Welcome to the 1997 Lynbrook Vikings Fall Sports

MIKE HAWKES, Principle

I look forward to this time of the year when our football teams finally have an opportunity to demonstrate the improvement that they have made since last season. I am proud that we have developed a successful program which allows our athletes terrific opportunities to improve their individual skills and to ultimately come together as a team. Our football staff has continued to work through adversity that comes with the development of a new program. While frustration was often part of the final score last year, our coaches have continued to be upbeat about their future and supportive towards their ever-improving athletes. Rarely have I seen such an enthusiastic group of coaches.

Finally, I am confident that there will be numerous successes due to the efforts this year from our athletes. Please support our soholar/athletes, our coaches, and our program.
