

October 12, 1998

Dear Coaches:

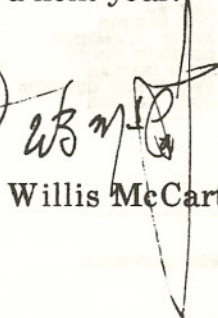

Enclosed are the results of the 24th Annual Crystal Springs Cross Country Invitational. We had 1680 registered athletes and the participation of your teams was, as always, very much appreciated. The ideal weather and outstanding efforts by the athletes made for a great day. Our coaching staff continues to try to build this meet into one of the finest invitationals in California.

Plan on the second Saturday of October, 1999, as usual. Again, we thank you for your continued support of our meet. Please call us with any questions or concerns. Hope to see you next year.

Sincerely,

Mark Goyette

Willis McCarthy

Rick Fambrini
