Cross Country 1973

The 1973 cross country season was expected to be successful. We had four returning lettermen who were also last year's North Coast Section Champions in the Frosh-Soph Division. These included juniors Kevin Rudy, Doug Hall, Phil Arzino, and sophomore Phil Hornig.

We knew we had four good runners but the fifth spot was completely up in the air. As the early season workouts began it was obvious that another member of the championship frosh-soph team from last year, Ron Stevenson, was definitely the 5th runner we were looking for. Ron had run over 300 miles during the summer and had improved tremendously from his freshman year. Another great surprise for us was the almost unbelievable improvement of junior David Strodbeck. Dave had run as one of our reserves last year but he too had run over 300 miles during the summer and as the season started he was our number 6 man.

Kevin Rudy was our number one runner all year and he lead our young team to an over-all record of 13 wins and 2 losses and an undefeated league record of 8 wins and 0 losses. Kevin also lead the team to the league championship at the league finals in November. During this meet our team took four out of the top six places and these four were accorded all-league honors for their accomplishment. These boys included: Kevin Rudy, Phil Hornig, Doug Hall, and Ron Stevenson. The other two members of the championship team were Phil Arzino and David Strodbeck.

The JV team was lead by Don Lew, Terry Trimble, Ken Haubrock, and Jim Hoffer. They compiled an overall record of 13 wins and 2 losses and an undefeated league record of 8 wins and 0 losses. The only blemish on their super record was a one point upset at the hands of Tenryson during the league finals. Don Lew and Terry Trimble placed 1-2 in the JV championship meet.

The Frosh-Soph overall record was 9 wins and 7 losses, and their league record was 6 wins and 2 losses. This team was lead by Steve Roberts and freshman standout Mark Behring. At the league finals, Steve Roberts lead our team to a 2nd place finish while he ran his best race of the year finishing 2nd to Canyon's Jeff Lee. Dan Johnson was the league champion in the reserve race at the league championships.

The girl's team in their first season compiled a respectable record of 2 wins and 2 losses. This team was lead by Laurel Thomasson and it included Renee Stevenson, Sandy Livingston, Anne Behring, Petsy Green, Elizabeth Fandy, Sue Swaner, and Luenell Campbell.

Everyone on the team is to be congratulated for an outstanding season. Their success was made possible by the tremendous amount of work accomplished by each person. Champions are not born...they are made and this championship team was made by the combined efforts of everyone.
