VOLUME 10, NUMBER 5

NORTH COAST SECTION MEET OF CHAMPIONS TEAM TIMES

(Thanks to Keith Conning and David Gutierrez)

Here are the final NCS rankings, based on team times from all divisions. The rankings are primarily on the team times across divisions. The exception is if one team beat another within a division on points, that overrides any team time comparison. For example, San Ramon girls beat Montgomery girls on points to advance to the State Meet in D-II. However, Montgomery beat San Ramon based on team time. There San Ramon is ranked ahead of Montgomery.
