Dear Marathoner:

On behalf of the Sacramento Long Distance Running Association and the Race Committee, I would like to congratulate you on finishing the California International Marathon. It was a very exciting race this year with Ken Martin setting the fastest American male marathon time for 1984 at 2:11:24. The women's race was just as exciting with Katy Schilley winning with a PR time of 2:32:40, which is the eighth-ranked American women's time overall.

The California International Marathon is a race for everyone, and I hope all your personal goals were met.

Plans are already being made for next year's event. The 1985 California International Marathon promises to be even more spectacular, so don't miss it. Good luck and healthy training.

Sincerely,

Flo Bryan
Race Director

Wheelchair marathoners departing just minutes before the full field began its 26.2 mile trek to the Capitol.

Women's winner Katy Schilly looked strong as she cruised through the 24 mile mark enroute to victory.

Top Sacramento area women's finisher was Heike Skaden in 10th place with a 2:51:07 clocking.

Men's Masters winner Mike Mahler (#45) is the picture of concentration as he speeds through Fair Oaks Village at the 10 mile mark.

Pat Ewing runs through "The Wall" just past the 20 mile mark.

Goodies at the end of the race were plentiful and varied as hungry runners loaded up on their favorite post-race snacks.

Showing none the less for wear, winner Ken Martin poses in front of the Capitol. Sacramento County Supervisor Sandy Smoley is shown on the left.
