

OFFICIAL RESULTS - SRI CHINMOY 10-MILE RACE, FEB. 19, 1984

Dear Runners:

Here at last are the results of the Sri Chinmoy 10-Mile Race in Foster City on February 19, 1984. I was really impressed by the quality of the field - over 15% of you completed the 10 miles in under a 6 minute pace!, and 42% did it in under a 7 minute pace. Pretty amazing! If you liked the course and are thinking of doing a marathon soon, you should consider ours. It will be June 3rd this year and is run over much the same course as the 10-Miler. The weather at that time in Foster City is usually very nice, averaging about 58 degrees, and nice and cool at the 7:00 a.m. start.

Please forgive any misspellings of your names. Due to the last-minute race day registration rush, there was a lot of sloppy handwriting on the waiver forms. Sorry about that! Happy running and we hope to see you all again soon!

Sincerely, Sundari Michaelian, S.C.M.T.
