RESULTS

Thank you for participating in the SUPERCITY 8K RUN on Superbowl morning. It was fun to see all of you getting in your workout prior to the festivities of the Superbowl Game: you could relax smugly and eat knowing that your training was completed for the day.

The day proved to be cold, but at least we had no rain. The course is a fast, flat 8K (4.97 miles)- I'm waiting for the certification of the distance to come through within a couple of months. I'd like to thank Lt. Arolla of the Santa Clara Police Dept. and his staff helping me lay out a course that was

acceptable and safe for all parties involved.

Blair Briscoe and his staff from the MARRIOTT HOTEL-Santa Clara, provided crucial parking, restrooms, and a much needed warm room for the awards ceremony. The race site proved to be a good location for staging the event and we hope we can do it again. I'd like to thank M.E. FOX & Co. for providing the postrace refreshments which were entirely consumed along with the bananas. Dave Rhody, and other TRS staff handled all out on the course marking and coning on that foggy morning. Tamalpa Runners racing teams served as monitors and split timers. Our own TRS staff handled the finish line area.

Special thanks to Brian Siddon of Asics Tiger Shoes Corp. for donating to the cost of the long sleeve shirts and the Tiger shoe gift certificates that were distributed at the awards ceremony. Merchandise awards are always a much desired item at running races and we were able to give some to age group winners and for the raffle drawing. We did have many nice trophies and medals for just about everyone.

However, not all went well. We were also utilizing a new on-line bar label computer code scoring system rather than our usual reliable manual system. We usually have the awards ceremony within one half hour after the race. The system had its problems along with human error resulting in a very delayed awards ceremony and final results mailing. But now, you have the data you need to see how you placed.

The T-shirts failed to arrive for race day distribution due to the timing with the postal service. But Theresa Smith of Curtain Call Promotions Inc., Florida, should have been mailing them to you after the race. Theresa, incidentally came up with the idea of staging a Superbowl commemorative run in each Superbowl city. The concept is attractive and with more planning and a good sponsor we could have a good race next year.

Thank you for taking part in the race,

Theresa Smith
